

Recommended writable media list

Model : ND-3540A Series

Model Name and F/W Version

ND-3540A/GEN Ver 1.03 (White color bezel)

ND-3540A/GNB Ver 1.03 (Black color bezel)

ND-3540A/GNS Ver 1.03 (Silver color bezel)

Note: The following media list is not a guarantee of high quality burning.

There are factors beyond our control for disk quality.

Changes in material properties and OEM subcontractors for even the same brand of disks are just some of the factors that dictate disk characteristics and overall disk quality.

ND-3540A DVD Plus Format Disk
