Introduction

NEC Corporation of America, “NECAM”, offers one of the strongest warranty programs in the computer industry. For the Virtual PC Center solution, you automatically receive NEC Corporation of America’s standard one-year limited warranty.

The VPCCCare Service Warranty Program is described in the following sections.

Program Highlights

NEC's VPCCCare Service Warranty Program offers you the following benefits:

- One-year, registered, limited warranty on parts and labor.
- Next business day response from time of dispatch. An authorized service technician will be on-site the following business day once a service call is deemed necessary following trouble-shooting efforts between the customer and NECAM.¹
- Toll-free technical support five days a week, 9 hours a day (8AM to 5PM local time in the continental US and Canada) Monday through Friday.
- Software support and maintenance must be purchased separately on an annual basis. Does not include software installation support.
- Available upgrade options for expanded service and support coverage.

¹ NECAM will use commercially reasonable best efforts to provide next business day on-site service provided call for support is received by 3:00pm, PST. NECAM is not responsible for service calls missed outside the control of NECAM. If your location is outside of a NECAM authorized third party provider’s service coverage area, the response time may be longer and/or an additional travel charge may be assessed. In some cases, on-site service may not be available. All service response times are contingent upon parts availability.

Warranty Registration

You may register your system online at:

<http://www.necam.com/registration>

Upon receipt of the registration information, you will be registered for VPCCCare Service. Registration automatically registers your unit for the program, providing you with product updates and program information.

Service and Support Options

Once registered for the VPCCCare Service Support program, NEC Corporation of America offers a variety of optional service and support programs. These programs may be purchased directly from NEC Corporation of America, separately or in combination.

For enhanced service response, NEC Corporation of America offers optional periods of coverage response times:

■ EXTENDED WARRANTY

- ◆ 2 year – Extends Standard Warranty for year 2.
- ◆ 2 and 3 year – Extends Standard Warranty for years 2 and 3.

■ HARDWARE TELEPHONE SUPPORT COVERAGE

- ◆ 24 Hours/Day, 7 Days/Week, Toll-free Support Coverage

■ SOFTWARE SUPPORT & MAINTENANCE

- ◆ 1st year agreement is mandatory. 2nd and 3rd years are recommended but not required and are purchased annually. Covers support and upgrades for Sigma System Center, VMWare Virtual Infrastructure 3 and Virtual Center.

■ TO ORDER ADDITIONAL SERVICE AND SUPPORT OPTIONS PLEASE CALL:

Registered Limited Warranty

NEC Corporation of America warrants this Product to be free from defects in material and workmanship, and agrees to repair or replace any part of the enclosed unit that proves defective under these terms and conditions.

If service requires the replacement of any parts, components, or modules, the replacement items become the property of Customer and the replaced items become the property of NECAM.

NECAM may use new, used, serviceable, or reconditioned parts, components, or modules that are in good working order as replacements. Replacement items shall be of like kind and quality of those replaced.

How Long is the Registered Limited Warranty?

Parts are warranted for one (1) year from the date of the first end-user purchase. Spare parts are warranted for ninety (90) days.

Who is Protected?

This warranty may be enforced only by the original purchaser of the Product and is not transferable.

What is Covered and What is Not Covered?

Except as specified below, this warranty covers all defects in material or workmanship in this Product. The following are not covered by this warranty:

1. Any Product that is not distributed in the U.S.A. or Canada by NEC Corporation of America.
2. Any Product on which the serial number has been defaced, modified, or removed.
3. Any Product that has been removed from the U.S.A. or Canada.
4. Damage, deterioration, or malfunction resulting from:
 - ◆ Accident, misuse, abuse, neglect, fire, water, lightning or other acts of nature, improper storage, unauthorized Product modification, or failure to follow instructions supplied with the Product.

- ◆ Alteration, repair or attempted repair by anyone not authorized by NEC Corporation of America.
 - ◆ Any shipment of the Product (claims must be presented to the carrier).
 - ◆ Removal or installation of the Product.
 - ◆ Any other cause that does not relate to a Product defect.
5. Cartons, carrying cases, external cabinets, magnetic or digital tapes, or any accessories used in connection with the Product.
 6. This warranty covers only NEC Corporation of America - supplied components. Service required as a result of third party components is not covered under this warranty, including third-party software even if it is distributed by NECAM.

What NEC Corporation of America Will Pay For and what NEC Corporation of America Will Not Pay For

NEC Corporation of America will pay labor and material expenses for covered items, but NEC Corporation of America will not pay for the following:

1. Removal or installation charges.
2. Costs of initial technical adjustments (set-up), including adjustment of user controls.
3. Payment of shipping and related charges incurred in returning the Product for warranty repair.

How You Can Get Warranty Service

Warranty service may be obtained by contacting NEC Corporation of America by calling **1-877-632-0064**.

Carry-In/Return to Factory. You also have the option of returning the product to an NEC Corporation of America Authorized Service Center, or directly to an NEC Corporation of America factory repair depot. It shall be your obligation and expense to ship the product, freight prepaid, or to deliver it to an NEC Corporation of America authorized service center or other facility authorized by NEC Corporation of America to render the warranty services. The product should be shipped in either the original package or a similar package affording an equal degree of protection.

NEC Corporation of America may require that you provide the original bill of sale or receipt as proof of purchase in order to obtain warranty service. Please retain such proof of purchase with your records.

Limitation of Damages and Implied Warranties

NEC Corporation of America's sole liability for any defective product is limited to the repair or replacement of the product at our option. NEC Corporation of America shall not be liable for:

1. Damage to other property caused by any defects in this product, damages based upon inconvenience, loss of use of the product, loss of time or data, commercial loss; or
2. Any other damages of any kind.

NEC CORPORATION OF AMERICA MAKES NO OTHER EXPRESS WARRANTY WITH RESPECT TO THIS PRODUCT. ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS, ARE LIMITED IN DURATION TO THE TERM OF THE EXPRESS WARRANTY STATED HEREIN. LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES UNDER ANY WARRANTIES IS EXCLUDED TO THE EXTENT PERMITTED BY LAW.

Note: Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state and province to province.

Note: All Products returned to NEC Corporation of America for service *MUST* have prior approval. This may be obtained by calling **1-877-632-0064**.

This Product is warranted in accordance with the terms of this limited warranty. Consumers are cautioned that Product performance is affected by system configuration, software, the application, customer data, and operator control of the system, among other factors.

While NEC Corporation of America products are considered to be compatible with many systems, the specific functional implementation by the customers of the product may vary. Therefore, the suitability of a product for a specific purpose or application must be determined by the customer and is not warranted by NEC Corporation of America.

For more information, telephone **1-877-632-0064**.
